United States District Judge  
United States Courthouse

Re: *United States and State of New York ex rel. Forcier v. Computer Sciences Corp. and City of New York*, 12 Civ. 1750 (DAB)

Dear Judge Batts:

This Office represents the United States (the "Government") in the above-referenced action, in which the Government intervened in October 2014. On behalf of all parties in this action, we write respectfully to request an extension to the briefing schedule for defendants Computer Science Corp.'s ("CSC") and the City of New York's (the "City") motions to dismiss the Government's complaint-in-intervention, New York State's complaint-in-intervention, and the *qui tam* relator's second amended complaint.

Previously, the Court approved a briefing schedule whereby (i) CSC and the City had until January 26, 2015, to move to dismiss; (ii) the Government, the State, and the relator have until March 9, 2015, to respond; and (iii) CSC and the City have until April 6, 2015, to file replies. After CSC and the City filed their motions to dismiss, both counsel for the Government have had to travel in consecutive weeks for depositions in another case. The parties have conferred and agreed on a proposed extension to the current briefing schedule. Accordingly, we respectfully request that the Court (i) extend the time for the Government, the State, and the relator to file their responses by three weeks from March 9, 2015, to March 30, 2015; and (ii) extend the time for CSC and the City to file their replies from April 6, 2015, to May 8, 2015.

GRANTED.

We thank the Court for its consideration of these requests.

Respectfully,

PREET BHARARA  
United States Attorney
